

3rd Grade Program Lyrics- 1990's

[Bye-yi-yah]

You and me
We come from different worlds
You like to laugh at me
When I look at other girls
Sometimes you're crazy
And you wonder why
I'm such a baby
'Cause the dolphins make me cry

Well, there's nothing I can do
I've been looking for a girl like you

You look at me, you got nothing left to say
I'm gonna pout at you until I get my way
I won't dance, you won't sing
I just wanna love you, but you wanna wear my ring

Well, there's nothing I can do
I only wanna be with you
You can call me your fool
I only wanna be with you

Can't touch this
Can't touch this
Can't touch this

My-my-my-my music hits me so hard
makes me say oh my Lord
Thank you- for blessing me

with a mind to rhyme and two hyped feet
It feels good- when you know you're down
A super dope homeboy from the Oaktown
And I'm known-- as such
And this is a beat uh u can't touch

Boys: I told you homeboy

Girls: u can't touch this
Boys: Yeah that's how we're livin' and you know

Girls: u can't touch this

Boys: Look in my eyes man

Girls: u can't touch this

All: Yo. Let me bust the funky lyrics

I will never find another lover sweeter than you,
Sweeter than you
And I will never find another lover more precious than you
More precious than you
Oh you are close to me just like my mother,
Close to me just like my father,
Close to me just like my sister,
Close to me just like my brother
You are the only one my everything and for you this song I sing

And all my life I've prayed for someone like you
And I thank God that I, that I finally found you
All my life I've prayed for someone like you
And I hope that you feel the same way too
Yes, I pray that you do love me too

La la la la la....[fade]

Oh oh oh oh oh
Yeah

You have so many relationships in this life
Only one or two will last
You go through all the pain and strife
You turn your back and they're gone so fast
Oh yeah
And they're gone so fast, yeah

So hold on the ones who really care
In the end they'll be the only ones there
When you get old and start losing your hair
Tell me who will still care
Can you tell me who will still care?
Oh care

Mmmm bop

dap ba doo wah

Ba-Doo-be-da bah

Woo-wap, dap-bah-doo

Yeah

X5 [repeat until fade]
